

WITH OUR RANGE OF SPLIT
AIR CONDITIONER UNITS

PREMIUM AIR COOLING SOLUTIONS

WE DON'T JUST SELL
AIR CONDITIONERS
WE SELL **COMFORT**

Powerful Cooling that cools the room 16% faster than General Air Conditioners. So it provides relief from the sweltering heat outside.

3 Care Filter helps keeping your air fresh and the inside of the unit clean. As well as capturing dust, its unique coating may eliminate up to 99% of certain kinds of viruses, bacteria and allergens as they pass through its dense filter mesh.

Keeps going in the most challenging environments with energy efficient technology. It prevents overloads, without a separate voltage stabilizer*, has an anti-corrosive coating, and can endure extreme heat.

Creates the desirable climate for a good night's sleep. With its temperature control and moisture adjustment it may help you feel comfortable during your sleep.
